

Room freshener and deodorizer

Crew™ is a completely new range of housekeeping cleaning products developed by Diversey keeping in mind the cleaning needs of prosumer customers. With the launch of Crew™ we aim to provide foolproof, simple & high performance cleaning solutions to our customers for superior housekeeping.

Air freshener

Description

Crew™ Room freshener and deodorizer is a water-based air freshener featuring a pleasing citrus perfume which deodorizes guestrooms, banquet halls and office rooms.

Features and benefits

- Water-based air freshener. Does not use ozone-depleting aerosols
- Freshens and deodorizes the room
- Fresh and pleasant room care fragrance
- Extremely economical in use, when compared with aerosol-based air fresheners
- Fast action formula removes malodors quickly

Directions for use

Air freshener is applied last, after all cleaning of the room is finished.

This is a ready-to-use product. Pour the product into a spray bottle.

Shake well before use.

For small rooms spray upwards once or twice into the centre of the room.

For large rooms and in rooms where strong odours like tobacco are present, spray additionally.

Applications :
Ideal for freshening and deodorizing

Guestrooms

Banquet halls

Office rooms
